Together Encountering Christ (TEC) is a three day retreat weekend based on the Paschal Mystery, the death and resurrection of Jesus Christ. The experience of TEC brings alive the heart of our Christian Faith. Both youth and adults have described the experience as relevant, intense, emotional, and life-changing. With more than 36,000 participants, TEC helps build deeper relationships with Christ which becomes evident as they become examples of Christ's love in their homes, among their friends and within their communities.

CM TEC retreats are open to both youth and adults. Youth must be at least 16 years old and in the winter/spring semester of their sophomore year of high school. Retreats are held at the TEC center in Belle Prairie, Minnesota, just north of Little Falls on Highway 371. Cost is \$95.
