

A Call to Service 2019

Dear Parish Coordinator,

A Call to Service, in its 23rd year, is a weeklong service learning experience for youth in 9th – 12th grade. The program is a collaborative effort between Catholic Education Ministries of the Diocese of St. Cloud and parish youth ministers. This year A Call to Service is June 23 – 28, 2019. The goals of A Call to Service are to help youth:

- Develop a commitment to service as a life long component of faith
- Identify ways in which they receive through giving
- Be introduced to a variety of multicultural experiences
- Experience a Catholic faith community
- Share their experience with their faith community back home

Included in this mailing and registration info are the promotional brochure, parish enrollment form, and payment info and Adult Leader Expectations. Electronic PDF files of these forms and the brochure are available for download at: www.stcdio.org/youth
